Decision about the Accreditation Procedure

Dear Dr. Hovhannisyan,

We herewith inform you about the decision of the Accreditation Commission for Degree Programmes taken on 8 December 2023 regarding the accreditation procedure for the below mentioned degree programmes. Taking into consideration the assessments of the expert panel and the relevant Technical Committees, the Accreditation Commission took the following decision:

Degree Programme	ASIIN-seal	Subject-specific label	Maximum duration of accreditation
Ba Biochemistry and Biotechnology	With requirements for one year	-	30.09.2029
Ma General and Medical Biochemistry	With requirements for one year	-	30.09.2029
Ba Pharmacy	With requirements for one year	-	30.09.2029
Ma Pharmacy	With requirements for one year	-	30.09.2029

In case the accreditation has been issued with requirements, it is valid until 19 January 2025. If the requirement the requirements are fulfilled in due time, the accreditation will be normally extended until the maximum duration indicated in the table above.

We kindly ask you to submit written documentation for the fulfilment of the requirements until 19 October 2024.

Please consult the accreditation report for detailed information on the accreditation process and its outcome. This report will be published on ASIIN's website. The ASIIN Accreditation Commission has decided that the information of responsible authorities is the responsibility of each higher education institution.

Please note that substantial changes in the structure, contents and the endowment of the degree programmes made within the accreditation period must be brought to our attention. Such changes would have to be examined by the Accreditation Commission.

I thank you for the good cooperation with the members of your institution, also on behalf of the experts, and remain

Yours sincerely
